**PRIVILEGED & CONFIDENTIAL**

**FEE AGREEMENT**

**RE:** *State vs. Sean Casey*  
Police Case No. 01-9143 (R)

This is a fee agreement retaining the law firm of Milton Hirsch, P.A. ("the firm") to represent Sean Casey ("the client") in connection with the above-captioned matter ("the case").

**1. Fee for Professional Services**

The client agrees to pay the firm pursuant to the following fee:

\$50,000 retainer for fees payable immediately

The \$50,000 fee for professional services is earned when paid and is non-refundable. It is understood and agreed that the entire fee is non-refundable, due in part to the fact that the firm handles only a limited number of cases at any given time and may turn away other prospective cases in order to make the commitment to represent the client.

The fee is for legal representation through the pre-trial period. The fee does not include services for trial, post-trial or appellate representation; nor for retrial. In the event that the client wishes to be represented by the firm for trial, the client agrees to pay an additional \$25,000 prior to trial. In the event that the client wishes to be represented by the firm for post-trial, appellate, or retrial litigation, an additional charge must be agreed upon between the parties.

**2. Costs and Expenses**

The fee does **not** include expenses for the employment of investigators, experts, court reporters, transcripts, process servers, travel, lodging and food, local counsel, or any other out-of-pocket expenses necessary to prepare the case. Out-of-pocket expenses expressly include, among other things, computer research time and expenses. Such expenses will be billed as they are incurred.

**3. Other Covenants**

Client represents that no portion of any money given for fees or costs is the proceeds of a crime.

This agreement is entered into in Miami-Dade County, Florida. Any claims arising out of this agreement shall be brought in the circuit or county courts of Florida in Miami-Dade County, and shall be governed by law of the State of Florida.

It is expressly agreed and understood by the parties that no promises or guarantees as to the outcome of the case, or of any subsequent legal proceedings arising out of or relating to the case, have been made.
